

BRIAN FOX MEMORIAL

Agriculture Scholarship

A \$2500 Scholarship
to encourage young people
in the pursuit of
education, innovation, exploration,
and enthusiasm in agriculture

In honour of the late Brian Fox, the Ontario Sugarbeet Growers' Association (OSGA) founded the Brian Fox Memorial Agriculture Scholarship.

Brian Fox, who passed away suddenly in 2013 was a well-respected Chatham-Kent farmer, community leader, and innovative businessman.

Fox was instrumental in bringing sugarbeets back to Ontario after a 30 year absence. Starting off with 350 acres in 1997, today over 90 farmers grow 10,000 acres of sugarbeets in the area. Brian Fox put his heart and soul into farming and was Agriculturalist of the year, was founding chairman of OSGA and founding board member of Michigan Sugar Co-op. Brian also had a very interesting academic background as a professional engineer serving as the President of Waltec Engineering, Waltec Plastics, EMCO Door and Windows, and was Chairman of the Board for TNR Doors.
